हुआ सवेरा

जमीन पर फिर अदब से आकाश
अपने सर को झुका रहा है
कि बच्चे स्कूल जा रहे है

नदी में स्नान करके सूरज
सुनहरी मलमल की पगड़ी बांधे
सड़क किनारे
खड़ा हुआ मुस्कुरा रहा है
कि बच्चे स्कूल जा रहे है

हवाएं सरसब्ज डालियों में
दुआओं के गीत गा रही हैं
महकते फूलों की लोरियां
सोते हुए रास्तों को जगा रही है
घनेरा पीपल
गली के कोने से हाथ अपना हिला रहा है
कि बच्चे स्कूल जा रहे है

फरिश्ते निकले हैं रोशनी से
हरेक रास्ता चमक रहा है
ये वक्त वो है
जमीं का हर ज़रा
माँ के दिल सा धड़क रहा है
पुरानी एक छत पे वक्त बैठा
कबूतरों को उड़ा रहा है
कि बच्चे स्कूल जा रहे है

Vande Mataram

*Mother, I salute thee!
Rich with thy hurrying streams,
bright with orchard gleams,
Cool with thy winds of delight,
Green fields waving Mother of might,
Mother free.*

*Glory of moonlight dreams,
Over thy branches and lordly streams,
Clad in thy blossoming trees,
Mother, giver of ease
Laughing low and sweet!
Mother I kiss thy feet,
Speaker sweet and low!
Mother, to thee I bow.*

*Who hath said thou art weak in thy lands
When swords flash out in seventy million
hands
And seventy million voices roar
Thy dreadful name from shore to shore?
With many strengths who art mighty and
stored,
To thee I call Mother and Lord!
Thou who saves, arise and save!
To her I cry who ever her foe drove
Back from plain and sea
And shook herself free.*

*Thou art wisdom, thou art law,
Thou art heart, our soul, our breath
Though art love divine, the awe
In our hearts that conquers death.
Thine the strength that nerves the arm,
Thine the beauty, thine the charm.
Every image made divine
In our temples is but thine.*

*Thou art Durga, Lady and Queen,
With her hands that strike and her
swords of sheen,
Thou art Lakshmi lotus-throned,
And the Muse a hundred-tone,
Pure and perfect without peer;
Mother lend thine ear,
Rich with thy hurrying streams,
Bright with thy orchard gleams,
Dark of hue O candid-fair*

*In thy soul, with jewelled hair
And thy glorious smile divine,
Loveliest of all earthly lands,
Showering wealth from well-stored
hands!
Mother, mother mine!
Mother sweet, I bow to thee,
Mother great and free!*

“Great things are done more
through courage than through
wisdom”.

कोशिश करने वालों की कभी हार नहीं होती

लहरों से डर कर नौका पार नहीं होती,
कोशिश करने वालों की कभी हार नहीं होती।

नन्हीं चींटी जब दाना लेकर चलती है,
चढ़ती दीवारों पर, सौ बार फिसलती है।
मन का विश्वास रंगों से साहस भरता है,
चढ़कर गिरना, गिरकर चढ़ना न अखरता है।
आखिर उसकी मेहनत बेकार नहीं होती,
कोशिश करने वालों की कभी हार नहीं होती।

डुबकियां सिंधु में गोताखोर लगाता हैं,
जब जा कर खाली हाथ लौटकर आता है।
मिलते नहीं सहज ही मोती गहरे पानी में,
बढ़ता दुगना उत्साह इसी हैरानी में।
मुट्ठी उसकी खाली हर बार नहीं होती,
कोशिश करने वालों की कभी हार नहीं होती।

असफलता एक चुनौती है, इसे स्वीकार करो,
क्या कमी रह गई, देखो और सुधार करो।
जब तक न सफल हो, नींद चैन को त्यागो तुम,
संघर्ष का मैदान छोड़ कर मत भागो तुम।
कुछ किये बिना ही जय जय कार नहीं होती,
कोशिश करने वालों की कभी हार नहीं होती।

We are the world

[Chorus]

*We are the world, We are the children
We are the ones who make a brighter day
So lets start giving
There's a choice we're making
We're saving our own lives
Its true we'll make a better day
Just you and me*

*Send them your heart
So they 'll know that someone cares
And their lives will be stronger and free
As God has shown us by turning stones to bread
So we all must lend a helping hand*

*When you're down and out, there seems no hope at all
But if you just believe there's no way we can fall
Well, well, well, well let us realize
That a change can only come
When we stand together as one*

"There is only one thing that makes a dream impossible to achieve: the fear of failure."

There shall be showers of Blessings

*There shall be showers of blessing,
This is the promise of love,
There shall be seasons refreshing,
Sent from the savior above.*

CHORUS:

*Showers of blessing, showers of blessing we need,
Mercy drops around are falling,
But for the showers we plead.*

*There shall be showers of blessing,
Precious reviving again,
Over the hills and valleys.
Sound of abundance of rain.*

- CHORUS -

*There shall be showers of blessing,
Send them upon us, O Lord,
Grant to us now a refreshing,
Come and now honour thy word.*

- CHORUS -

"Tenderness and kindness are not signs of weakness and despair, but manifestations of strength and resolution."

I have a Dream

*I have a dream, a song to sing,
To help me cope with anything.
If you see the wonder of a fairytale,
You can take the future, even if you fail.
I believe in angels,
Something good in everything I see.
I believe in angels,
When I know the time is right for me.
Across the stream, I have a dream.*

*I have a dream, a fantasy,
To help me through reality.
And my destination makes it worth a while,
Pushing through the darkness
Still another mile.
I believe in angels,
Something good in everything I see.
I believe in angels,
When I know the time is right for me.
Across the stream, I have a dream.*

"Generosity is giving more than you can,
and pride is taking less than you need."

Making melody in my Heart

*Making melody in my heart (3 times)
Unto the King of Kings.*

CHORUS: *Worship and adore him (2 times)
Making melody in your heart,
Unto the King of Kings.*

*King of Kings and Lord of Lords (3 times)
Glorify his name.*

CHORUS

*Love and serve Him from your heart (3 times)
Praise his lovely name.*

CHORUS

*Joy in him eternally (3 times)
And bless his lovely name.*

CHORUS

*Shout his praise everywhere (3 times)
The king is coming soon.*

CHORUS

*Clap your hands unto the Lord
The king is coming soon.*

CHORUS

All things bright and Beautiful

CHORUS: *All things bright and beautiful
All creatures great and small
All things wise and wonderful
The good Lord made them all.*

*Each little flower that opens
Each little bird that sings
He made their glowing colours
He made their tiny wings.*

*The purple-headed mountain
The river running by
The sunset and the morning
That brightens up the sky.*

*The cold wind in the winter
The pleasant summer sun
The ripe fruits in the country
He made them everyone.*

*He gave us eyes to see them
And lips that we might tell
How great is God Almighty
Who has made all things well.*

We shall Overcome

*We shall overcome, we shall overcome,
We shall overcome someday;
Oh, deep in my heart, I do believe,
We shall overcome someday.*

*The Lord will see us through, The Lord will see us through,
The Lord will see us through someday;
Oh, deep in my heart, I do believe,
We shall overcome someday.*

*We're on to victory, We're on to victory,
We're on to victory someday;
Oh, deep in my heart, I do believe,
We're on to victory someday.*

*We'll walk hand in hand, we'll walk hand in hand,
We'll walk hand in hand someday;
Oh, deep in my heart, I do believe,
We'll walk hand in hand someday.*

*We are not afraid, we are not afraid,
We are not afraid today;
Oh, deep in my heart, I do believe,
We are not afraid today.*

*The truth shall make us free, the truth shall make us free,
The truth shall make us free someday;
Oh, deep in my heart, I do believe,
The truth shall make us free someday.*

*We shall live in peace, we shall live in peace,
We shall live in peace someday;
Oh, deep in my heart, I do believe,
We shall live in peace someday.*

इतनी शक्ति हमें देना दाता

इतनी शक्ति हमें देना दाता
मन का विश्वास कमजोर हो ना
हम चले नेक रस्ते पे हमसे
भूलकर भी कोई भूल हो ना

दूर अज्ञान के हो अंधेरे
तू हमें ज्ञान की रोशनी दे
हर बुराई से बचते रहें हम
जितनी भी दे भली ज़िन्दगी दे
बैर हो ना किसी का किसी से
भावना मन में बदले की हो ना

हम ना सोचें हमें क्या मिला है
हम ये सोचे किया क्या है अर्पण
फूल खुशियों के बाँटे सभी को
सब का जीवन ही बन जाए मधुबन
अपनी कठुणा का जल तू बहा के
कर दे पावन हर एक मन का कोना

हम को मन की शक्ति देना, मन विजय करें

हम को मन की शक्ति देना, मन विजय करें
दूसरों की जय से पहले, खुद को जय करें

भेदभाव अपने दिल से साफ़ कर सकें
दोस्तों से भूल हो तो माफ़ कर सकें
झूठ से बचे रहें, सच का दम भरें
दूसरों की जय से पहले, खुद को जय करें

मुश्किलें पड़े तो हम पे इतना कर्म कर
साथ दे तो धर्म का, चले तो धर्म पर
खुद पे हौसला रहें, बदी से ना डरें
दूसरों की जय से पहले, खुद को जय करें

ऐ मालिक तेरे बंदे हम, ऐसे हो हमारे करम

ऐ मालिक तेरे बंदे हम, ऐसे हो हमारे
करम
नेकी पर चलें और बदी से टलें, ताकि
हँसते हुये निकले दम

ये अंधेरा घना छा रहा, तेरा इन्सान
घबरा रहा
हो रहा बेखबर, कुछ ना आता नज़र,
सुख का सूरज छुपा जा रहा
है तेरी रोशनी में वो दम, तो अमावस
को कर दे पूनम

बड़ा कमजोर है आदमी, अभी लाखों
हैं इस में कमी
पर तू जो खड़ा, है दयालू बड़ा, तेरी
क्रिपा से धरती थमी
दिया तूने हमें जब जनम, तू ही
झेलेगा हम सब के राम

जब जुल्मों का हो सामना, तब तू ही
हमें थामना
वो बुराई करें, हम भलाई भरें, नहीं
बदले की हो कामना
बढ़ उठे प्यार का हर कदम और मिटे
बैर का ये भरम

If

*If you can keep your head when all about you
Are losing theirs and blaming it on you,
If you can trust yourself when all men doubt you,
But make allowance for their doubting too;
If you can wait and not be tired by waiting,
Or being lied about, don't deal in lies,
Or being hated, don't give way to hating,
And yet don't look too good, nor talk too wise:*

*If you can dream—and not make dreams your master;
If you can think—and not make thoughts your aim;
If you can meet with Triumph and Disaster
And treat those two impostors just the same;
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build 'em up with worn-out tools:*

*If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings
And never breathe a word about your loss;
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the Will which says to them: 'Hold on!'*

*If you can talk with crowds and keep your virtue,
Or walk with Kings—nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much;
If you can fill the unforgiving minute
With sixty seconds' worth of distance run,
Yours is the Earth and everything that's in it,
And—which is more—you'll be a Man, my son!*

All students are directed that the lockers are given to them to keep their books in the school itself. Only test/homework related books and copies should be taken home. No student is allowed to take all the books and copies in bag which weighs more than 3 kg at any point of time.

Library/Media Centre

The library is open during school hours. All borrowed items will be the responsibility of the user. Personal/additional reading, study sessions and facilities for the preparation of research project will be made available to the students on request. Any loss / damage of any library resource will have to be paid by the user. Only two books at a time will be issued for a time period of 15 days. A fine of Rs. 100/- per week will be charged for late return of books/ CD's/DVD's.

Visitors

Visitors are not permitted on the campus during the school hours. However, in exceptional cases, permission may be granted. Parents are welcome to visit the campus on Fridays between 10:00 a.m to 12.00 noon with prior permission from the Principal/Dean Academic and Activities Planning/Admin Office. The authority who has given the permission will inform the reception about that particular person's details.

School Lockers

Lockers are assigned to each student by the grade teachers so that students can keep their things safely. Hence responsibility for the loss of personal property lies with the student. School will not compensate for any such losses. Students who cause damage to their lockers will be charged. Any mechanical problem with the lockers should be reported to the teachers/respective Coordinators.

Identification Cards

All students are provided ID cards which are to be worn when attending school and at any school programmes within or outside the campus. In case of loss or damage to the ID card, a new card would be issued at a cost of INR. 150. This is a **Mandatory** requirement for all the students.

Transportation

Bus services are made available to the students. It is an optional facility provided by the school. The management will take all necessary precautions for the safety of the children availing the school transport but shall not be responsible for any unforeseen event.

The students are to be picked up by an authorized person carrying the necessary identification. In the absence of this, the child will be taken back to school. Parents are requested to take full responsibility for the collection of their child from the designated stop. In case of non payment of bus or school fees the conveyance facilities may be discontinued by the school at any time. Due to traffic or any other condition, the bus may be late which the parents can check through GPS App or contact school. Please note that the school reserves the right to re-route or withdraw bus services at its discretion.

Students are expected to remain seated on their seats while the bus is moving. Repeated misbehaviour or any act which may endanger lives or lead to damage to the vehicle will result in suspension of the bus service for that student. Clear rules are laid out for bus travel for the students. These are to be adhered to strictly to ensure safety all round.

"Hope is a waking dream."

School Infirmary

When taking medication during school hours, the following requirements will have to be met

- The medical card of the child is mandatory to be deposited at school failing which the school may not be able to administer medicine in case of emergency to the child.
- The medicine must be prescribed by a registered physician.
- Parents must submit a written permission for such medication. Copy of the doctor's prescription should be attached.

If a student is unwell during the day, he/she may take a pass from the subject or grade teacher to go to the infirmary. The pass is to be returned to the teacher on return to class. The nurse records the visit of the student in the infirmary register. School must be informed of any allergies that a child may have.

A prolonged stay at the infirmary without prior permission amounts to truancy. If medical condition warrants (high fever, severe stomach ache, etc.) the parents would be asked to take their child home.

Students are administered basic first aid for common ailments and minor injuries. In case of any unforeseen emergency, the initial aid/support is provided as per the need and the parents of the concerned child will be informed immediately. The student will be taken to the hospital.

Students are usually up-to date on their immunization until they reach the age of 14. Please be sure to update their immunization records and provide the school with a copy. Allergies, if any, need to be intimated to the school.

Routine medical check-up of students are conducted through out the year by the school nurse.

The doctor makes regular visits to school.

Student Services - Counselling and Guidance

Our Counselling and Guidance Services stress the individual uniqueness of students and is based on the belief that all students should be directed to a level of self-actualization. The scope of the services is preventive and proactive in focus and developmental in content and process. 'Developmental Counselling' and 'Crisis Intervention' are the two main components of the services.

The Guidance and Counselling Cell anticipates the challenges in the students' lives and assists them in gaining maturity. The underlying focus of the programme is to help students develop the skill, attitude and knowledge base they need for the success of their academic and personal endeavours.

Special support is provided to students who may experience learning difficulties so that their special educational needs (within the limits of mild and the moderate zone) are met.

At least 2 workshops on 'adolescence' are conducted for the students by paediatric experts to enable students to deal with their own physiological growth.

All teachers at ITM Global School are given basic primary training for the counselling and guidance.

"God grant me the serenity to accept the things that I cannot change, the courage to change the things I can and the wisdom to know the difference"

Behaviour Management

Behaviour management techniques usually include encouragement, praise and positive reinforcement. Opportunities are provided to a student to gain self-control and reliance and to respond positively to others in a social setting. Acceptable and proper behaviour is described through stories so that students associate themselves with the characters and thus understand that their behaviour needs to improve. This does not destroy self-esteem and promotes acceptable social interaction with peers as well as adults. A positive proactive approach which includes prevention, redirection and praise is the preferred intervention model. Various financial penalties are also in place if the child does not respond to the above methods. The concept of community service is also in place in the school for students who continue to be in the defaulters list. Temporary suspension from school will be imposed on regular defaulters (more than 3 times) in case of a very serious misconduct, this may lead to rustication after proper enquiry is constituted.

The objective for this is to design a uniform methodology of addressing Learner's needs in the areas of:
 - Effective communication Skills
 - Building Confidence
 - Empowering research and knowledge enhancement skills
 - Receptive skills (Listening and reading)
 - Productive skills (speaking and writing)

Our Houses

Fire - Luminous Orange • **Earth** - Prosperous Green
• **Water** - Serene Blue • **Air** - Pure White • **Sky** - Light Blue

Way back, when we were primitives, survival depended on lighting fires, growing crops, finding clear water, waiting for the cold breezes in the hot scorching summers and aligning stars to find our way. These all are aspects of mother nature. Still, today, when we can get most things done by technology, we are directly or indirectly dependent on nature.

ITMGS firmly believes in these five forces of nature: Fire, Earth, Water, Air and Sky. So, to express our gratitude towards these forces of nature, our school has named our houses accordingly.

They are:

Fire: Colour: **Luminous Orange** Animal: **Phoenix** Trait: **Eagerness**

Fire: the bravest of all. Never lets a single obstacle hit the school. Always achieves in all-round activities. The students are always courageous and face their problems alongside their peers. They are always ready to spark the entire place with their blaze of courage. This house has been supportive and motivating to other houses as well. The house leaders have always been friendly and cooperative to the fullest.

Earth: Colour: **Prosperous Green** Animal: **Elephant** Trait: **Loyalty**

This house has always shown its ultimate loyalty and never-ending friendship with each other. Just like the earth each of the house members is different yet, always together. This house is an all-rounder and has been happy to help other houses as well. Nobody can separate this house even after the hardest effort.

Water: Colour: **Serene Blue** Animal: **Dolphin** Trait: **Ambitiousness**

It's one of the most unpredictable houses. One moment it's gentle the other it's a fast and strong force. It can cut through mountains at times, and help others at times. This house always looks up to the goal of their lives. This house's speciality is that it's always looking for the betterment of the future

Air: Colour: **Pure White** Animal: **White Pigeon** Trait: **Wisdom**

Just like water, it's very unpredictable. It's both soft and sharp. Since it's air, the members tend to have an open mind about things. Their minds can make out solutions with their critical thinking. Nobody can ever get hold of them, they are always free to adventure the world.

Sky: Colour: **Light Blue** Animal: **Pelican** Trait: **Curiosity**

Bright as the sun, calm as the moon and diverse as the stars. The sky is vast and diverse, so are the students of this house. Their curiosity and imagination can make them reach endless heights. Their creativity has helped them to innovate learning.

How to go in ERP

The students use the ERP for attempting the Online Exams, viewing the Answer Scripts and for checking their Report Cards. The objective of Online Exams is to ensure that assessment givers can undertake the paradigm shift from the Offline to the Online Processes. ITM Global School adopted the Online Exams by underlining the importance and value of these examinations in the present scenario. Our ERP-based Online Examinations generate extremely reliable data for assessing the candidates' knowledge, skills and aptitude.

How to go on LMS (Tattva)

ITM Global School has a fully-featured Learning Management System (LMS) called 'Tattva – Elements of Virtual Campus' a common learning platform for all. The Learning Management System (LMS) of the School is a software application for the delivery of educational courses, learning and E-Library from Play Group to Grade XII. The Learning Management System concept emerged directly from E-Learning. The LMS can be utilized for creating professionally structured course content. The teachers can add texts, images, videos, PDFs, tables, links and interactive tests, slideshows, etc. It helps in controlling which content the students can access, track the progress of their study and engage the students with contact tools. Teachers can also manage courses and modules, enroll students or set up self-enrollment, see reports on the students and import students to their online classes. Students' exchange of feedback, both with teachers and their peers, is possible through LMS.

How to learn Efficiently

Today, everybody is a student. The expansion and updating of knowledge makes all of us life-long learners. Here are few tips for studying more effectively.

1. Keep yourself fit both physically and temperamentally

- Get sufficient sleep. Most of us need about seven hours sleep.
- Do vigorous exercise daily for at least an hour.
- Take time daily to do something that you genuinely enjoy such as painting, working with tools, music, poetry etc.

2. Have a regular place for studying

- Fix up a study table for yourself. Use a chair with a straight backrest. Only keep items which are being used on the table to avoid unnecessary overcrowding of table top.
- For light reading, you could use another chair placed in a quiet place.

3. Work out a time-schedule and follow it

4. Increase motivation by recalling your goals

- Set up goals for yourselves to drive your efforts.
- Remind yourselves continually to achieve your short term goals keeping the long term goals at the back of your mind.

5. Compulsory Zero Periods for Classes I-XII

- The school lays a lot of emphasis on physical fitness, hence games and sports are an integral part of the school curriculum. Also by participating in activities students are passionate about can increase their brain function, and help them concentrate and manage their time better, all of which contribute to higher grades. Students learn to express themselves in a better way. ITM Global School has initiated zero periods in the school for classes I to XII, in which all students get one hour of sports, painting, craft, dance, music and instrumental music every morning. There are professional coaches who give specialized training in all these fields. Every student is required to opt for two Activities: One sport and one co curricular for the session. Regular testing and grades are awarded to the students to encourage and motivate them.

Your learning will not be substantial if your goals are not clear.

We discourage the concept of extra tuition at home as it confuses the child even more because the teaching methodology at school is different, better and in sync with latest pedagogies.

How to organise your time for Learning

If you can learn to manage your time, you acquire lifelong managerial skill. There are four key points in time management.

1. Right Size of Time Unit:

Work psychologists tell us that people get their best work done by working intensively for a reasonable period of time, then resting or switching over to something else. Shovelling sand might mean 15 minutes of work and then a pause. Managers might use 90 minute units in their schedules. For study 60 minutes seems to be a good unit.

2. Right Amount of Time:

- Recall your goals and abilities, and decide how much time you wish to assign to each activity.
- If you are a student, 24 hours of study a week is probably more than enough to achieve your academic goals. Increasing study time to 35 or 40 hours does not guarantee better results. In most cases, the opposite may happen
- The pay off in studying requires concentration and interest.

3. Right Distribution of Time Units:

- Spread out your subjects strategically. Generally, six single hours on consecutive days are better than six consecutive hours on the same day.
- Do assigned reading just before the class.

4. Right Sequence Order:

- Subjects like mathematics must be studied daily. Miss a point and you tend to lag behind
- Study tough demanding subjects when you are at your most alert stage in the day.

"If you count all your assets, you always show a profit".

Parental Partnership

Research has shown the importance of parental engagement in the success of your child's education. We want the best for your child, and by working in partnership we can successfully enrich your child's journey through ITM Global School - Gwalior.

Close Communication

Close communication is at the core of our partnership approach. Keeping guardians in the loop regarding their child's progress is an essential part of what we do. From consultation evenings and written reports, to an "open door" policy which ensures parents can speak with us at any stage, we keep those all-important channels of communication wide open. Make an appointment today to speak one-to-one with any member of our teaching staff in confidence between 10:00 am and 12:00 pm. This academic session we have introduced the concept of Open Saturday for our parents to meet the concerned subject teaching faculty at regular intervals.

Getting parents involved with their children's learning at home is a more powerful driver of achievement than parents attending P.T.A. and school board meetings, volunteering in classrooms, participating in fund-raising or back-to-school nights.

For Dear Parents

Pre-primary/Primary School is the first step in your child's education. As a partner with parents in this responsibility, ITM Global School believes that the Pre Primary School should be an enjoyable and memorable experience for children.

We believe that:

- Every child comes to school ready to learn.
- Pre-primary/Primary schooling includes academic achievements with social preparation which is essential for helping the children to become well-adjusted, happy and secure in their daily life.
- Pre-primary/Primary School gives the faculty the opportunity to determine the social, emotional, physical and intellectual needs of every child and to provide a nurturing environment to meet these needs.
- A well-run programme is important in order to provide the children with the fundamental skills and essential knowledge that they need to become successful students when they graduate to Primary/middle section.
- The parents are an integral part of the educational planning for their children.
- The role of the parents in day-to-day education of their children cannot be underestimated. Parents are encouraged to ensure that their children are well-rested, properly equipped for school, to be on-time, prepared and ready to learn.
- A good school needs professional teachers and parents who are keenly interested in quality education as our goal is to have happy, alert and healthy children who are eager to learn and achieve.
- It is our responsibility to serve our children, our parents and our community in a courteous, safe, effective and efficient manner.

Few Tips on Parenting

- Involve your children in daily house-hold chores and encourage them to ask questions.
- Encourage your children to take decisions for solving little problems independently and to learn from mistakes. This will enable the children to understand that mistakes are part and parcel of our day to day work.
- Children enjoy different things and we should encourage them to explore these areas.
- All like winning and whenever you play with your children, let them win at times so that they experience the pleasure and pride in doing well. Inculcate the concept of a fair game!
- Share your good experiences with them and listen to their fairy tale stories and simple illustrations with interest. It creates wonderful bonding.
- Let your children take measured risks. As a parent, one tends to be overprotective. This is to be avoided at times.
- Let your children explain parts of their lessons or probably their simple ways at solutions to family issues. This will help them develop sequencing of their thoughts and will also make them understand “why” and “why not”.
- If your child is enjoying something and having fun playing (and maybe you are not), let him/her be. The children need to live their age.
- Your children are unique individuals with their own strengths and limitations. Avoid comparisons and give your children the opportunities to develop their potential to the fullest.

School – Parent Partnership

- The school values parents' inputs and suggestions and encourages their participation in school functions. It is the school's endeavour to maintain an effective two-way communication wherein all concerns related to a child's education are addressed in a timely manner. The efforts are therefore focussed on building up a strong, stable and supportive 'school – parent' relationship.
- The school is active in providing • developmental workshops • opportunities for interaction with famous people from all spheres • regular health checks • educational trips • sponsored participation in Inter-school events • specialized coaching in sports • International curriculum along with CBSE and a world class educational infrastructure to our students. No stone is left unturned while taking care of the students during their time at the school.
- It is therefore expected of parents to support the school in the following areas:
- Ensure regular follow-up at home on work done by their child at school.
- Acknowledge the SMS, Whatsapp, circulars and notices from the school by paying heed to the details.
- Ensure that the child is dressed smartly in clean and proper uniform for school.
- Keep the school informed about changes in contact numbers, addresses, etc.
- Submit all student related documents for school/DEO Offices – SSSMID details, Address and ID proof, Adhar Card, Caste certificate (where applicable), Vaccination certificates etc.
- Inform the school well in time of withdrawal of their children (at least a month in advance) due to transfers, relocations or any other reason. If a parent fails to do so then the next quarter fee will be charged as per the withdrawal policy of the School.
- Keep in regular touch with school authorities so that even the smallest of concerns can be addressed in a timely manner.
- Provide feedback, suggestions and inputs for school development.
- Make the fee payments as per schedule to support school programmes and avoid any mutual inconvenience.
- Parents must acknowledge the Almanac on daily basis.

Fees and late fee charges – School fees must be paid on time (in advance) as per schedule given below:

1st quarter fee – by 15th April

2nd quarter fee – by 10th August

3rd quarter fee – by 10th November

4th quarter fee – by 2nd February

There would be late fee charges amounting upto 10% of the unpaid fee.

10% rebate is given when full fee is paid at one time before start of session or by 15th April. **For grade 10th and 12th fourth quarter fee must be paid latest by 30 January.**

Curriculum

CAIE - Cambridge Assessment International Education

In the early learning years we place emphasis on the areas of Language and Literacy, Mathematics (numerals), Creative Arts and General Awareness along with Physical and Social development.

We regard the development of creativity and thinking skills as extremely important and opportunity to exhibit these are integrated within the curriculum framework.

Day field trips – learning by exposure

To enhance learning, various sites and relevant places of interest have been identified to give our children hands-on experience as well as to give them the opportunity to meet people from various spheres of life. These are integrated within the curriculum. Places to be visited are communicated to the parents through circulars or mentioned in the almanac. Participation in these visits is mandatory for all students. Field trips beyond 20 kms from school may be charged extra as per cost to school.

Overnight trips to places in India or International trips are optional and would be charged to parents as per the proposed itinerary and cost by the travel operator.

The school offers the Cambridge International Examinations curriculum for all grades

Pre Primary to grade V – The Primary Years Programme with “Checkpoint” examination for grade V

Grades VI to VIII – The Lower Secondary Programme with “Checkpoint” examination for grade VIII

Grades IX and X – Upper Secondary-IGCSE (International General Certificate of Secondary Education) programme with Cambridge IGCSE examinations at the end of grade X

Grades XI and XII – A/AS Level (Advanced / Advanced Subsidiary Level) programme with Cambridge A/AS Level examinations at the end of grade XII

These programmes are internationally recognised and are tailor made to suit students needs. Also students do not need any type of coaching to crack competition exams.

Thus Cambridge programmes and qualifications help learners to become:

Confident in working with information and ideas – their own and those of others

Responsible for themselves, responsive to and respectful of others

Innovative and equipped for new and future challenges

Engaged intellectually and socially, ready to make a difference

Reporting Assessments

- Performance Achievements and Portfolio Cards (Report Cards- twice a year)
- Parent Teacher Conferences (Once in three months in online or offline mode)

CBSE - Central Board of Secondary Education

The School Management started the CBSE board in 2018 as promised and is now open for Admissions till Grade XII for Session 23-24 with an aim to provide the National Curriculum with global level activities and world exposure.

The Central Board of Secondary Education (CBSE) was formed officially in 1962 with the sole purpose to make a common standard and platform for every student in the country. From only 302 affiliated schools in 1962 CBSE is today affiliated with a whopping 19000+ schools in the country.

CBSE is one of the most preferred boards in the country and the reasons are many. CBSE is behind maintaining uniformity among all the students across India. Its effectiveness is reflected on the number of schools affiliating with it each year. It covers basic and general knowledge required for a child to move forward in terms of education.

The prime focus of the Board is on

- Prescribing and updating the course of instructions of examinations
- Allowing students to study rigorously and develop skills at the same time.
- Following a compact structure which makes the CBSE syllabus easier than that of other boards.
- Cracking the important competitive exams after class 12th.

Importance of Extra-Curricular Activities

Beyond the classroom, ITM Global school offers enriching experiences and extra-curricular activities, helping to build students' aspirations, equip them with transferable skills, and allow them to make new friends in the school and, of course, have fun.

At ITM Global School - Gwalior, we are committed to providing an environment in which our students can learn, thrive and grow and, as such, we put just as much emphasis on providing a diverse range of extra-curricular activities as we do on the academic curriculum.

Our Extra-Curricular Activities include: Physical Education • Guides • Visual Arts • Environment Club • Performing Arts • Choir • Overnight Camps • Workshops • Public Speaking • Guest Lectures • Olympiads • Educational Trips • Hands of Empathy Club • Science Club • NCC • Brass Band
