

PROPOSAL

Student Exchange Programme

PROGRAMME OVERVIEW

Our **Student Exchange Programs** will enable our students and the students of our partner school abroad with an opportunity to travel to a different country and experience the environment, history and culture of the country visited. It would allow the exchange student with an opportunity to get out of his/ her comfort zone and immerse themselves in a different culture.

It would allow for the following benefits:

1. Increase the understanding and tolerance for other cultures
2. A possible improvement in language skills
3. Broadening of social horizons
4. Meeting and making new friends
5. Enriching one's personal development
6. Challenge themselves towards developing a global perspective

TYPE OF PROGRAMME

1. We intend to conduct **Short Term Exchange Programmes (STEP)**
2. The programme would be **partly self-funded** by the students, involving the cost of travel and visa
3. While hosting students from abroad, **Hostel accommodation, on sharing basis, and meals will be provided by the host school**
4. The programme can be of **7-15 days**, or can be **upto a month**
5. We intend to host our guest students from abroad for that period of time, and expect the same from our partner school
6. It would provide our international students a chance to experience all the opportunities we bring, and immerse in our culture, and vis-à-vis, our students would be enriched through the same
7. We would provide every visiting student with a buddy to help him/her around the school and in understanding the Indian culture
8. Day Trips can be organized for the visiting students

OUR SCHOOL

ITM Global School, Gwalior, established in 2014, is a full-range school – from Play Group to Grade XII. It is our endeavour that our students learn in real-life situations and be able to enhance their critical thinking skills through the interactive and challenging curricula of either the **Cambridge Assessment International Examinations (CAIE)** or the **Central Board of Secondary Education (CBSE)**. Spread over 9 acres, and nestled within a knowledge campus of around 150 acres at the foothills of the Vindhya Range, the school provides extensive infrastructure for sports, academics and cultural activities. As a School, we are committed to providing high-quality teaching and learning programmes geared towards the holistic personality development of our students - we try to nurture, enrich, excite and engage each student in meaningful and diverse value-based educational pursuits within a safe, vibrant and encouraging environment. Our continued focus is on overall development through a liberal curriculum, in order that our students become Global Responsible Citizens of tomorrow.
