Academic Commitment Declaration

The selected subject combination and examination series have been discussed and chosen after understanding of University eligibility requirements, Subject prerequisites for the course, aligned to Examination timelines and Academic workload expectations.

Any change in subject combination or examination series must be formally approved by the school and may be subject to regulatory and deadline constraints. By selecting and confirming the subject combination and examination pathway.

Once the subject choices and examination pathway are finalized and confirmed, no changes will be permitted thereafter, except under exceptional circumstances and subject to School approval, Board regulations, Applicable deadlines and administrative constraints

Declaration

I/We hereby confirm that:

- ☐ I/We have understood the implications of the selected subjects and examination pathway.
- ☐ I/We take full responsibility for the choices made.
- ☐ I/We agree to abide by the rules and regulations of the school and the examination board.

This form is to be completed at the time of admission to document the proposed academic pathway and long-term career intention under the framework of Cambridge Assessment International Education.

Section 2: Subject choices for IGCSE

STUDENTS WHO WISH TO STUDY SCIENCES OR MATHEMATICS IN AS/A LEVELS MUST CHOOSE EXTENDED COORDINATED SCIENCE AND EXTENDED MATHEMATICS.

Students who secure a grade below 'C' in any subject at the IGCSE level will not be permitted to opt for that subject at the AS/A Level.
